Engage Learn Innovate

THE SCHOOL OF POSSIBILITIES

K.R. MANGALAM
World School

Chairman's Message

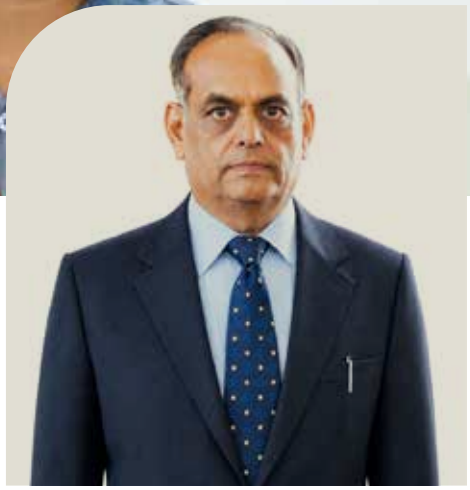
It is both a privilege and a joy to share our vision for the future of education. At K.R. Mangalam World School, we believe a school should be a place where students, teachers, and parents come together as one community, united by a shared commitment to excellence. Guided by our motto - Engage. Learn. Innovate. - we nurture students into global citizens empowered with ethical values, wisdom, and knowledge. Education here goes beyond academics; it is about shaping character, developing life skills, fostering creativity, and preparing young minds for the world with confidence, compassion, and respect for diversity.

Our approach embraces holistic development, supporting intellectual, physical, and social growth, while equipping students with the tools to thrive in a rapidly evolving world.

Through innovative learning, mental wellness initiatives, and opportunities to explore emerging technologies, our students are prepared for the challenges and possibilities of the future.

Our mission is to provide the highest standards of educational excellence within an inspiring environment. We empower every student to realise their full potential, think critically, embrace inclusivity, and grow with integrity. Our dedicated staff work tirelessly to foster intellectual growth, personal development, and resilience, enabling students to flourish as confident, compassionate, and forward-thinking global citizens.

At K.R. Mangalam World School, we are not just educating students; we are nurturing the leaders of tomorrow. I invite you to join us on this journey and witness the transformative power of a community committed to excellence.



> At K.R. Mangalam World School, we are not just educating students; we are nurturing the leaders of tomorrow. I invite you to join us on this journey, to witness firsthand the transformative power of a community dedicated to excellence in education.

KRM Legacy of Excellence

Since its inception, the K.R. Mangalam Group has built a remarkable legacy through its World Schools (CBSE), Global School (IB), and prestigious university, providing education from early learning to higher education. Our network of institutions reflects our unwavering commitment to delivering diverse, high-quality education that nurtures both academic excellence and personal growth. With a strong foundation of dedicated educators and a thriving student community, our schools and university continue to empower future leaders, equipping them with the knowledge, values, and skills needed to excel in an interconnected world.

The KRM Difference

1.

Enquiry-Based Projects. Real Outcomes.

Students investigate, question, and discover before they are told, then apply learning through structured projects every month—from Pre-Primary to Senior School.

2.

Confidence by Design.

Most schools hope confidence develops naturally. KRM teaches it deliberately. From Prep to Senior, every student speaks, presents, debates, and performs every month.

3.

Social-Emotional Learning & Life Skills.

Academic strength without emotional capability is incomplete. Communication, empathy, resilience, and decision-making are developed through structured programmes valued as seriously as academics.

4.

Mentorship & Future Pathways.

Future choices should never be left to chance. A structured four-year Career Counselling Programme, internships, industry exposure, and expert guidance prepare students for what comes next.

Academic Curriculum

At K.R. Mangalam World Schools, education extends beyond traditional teaching; it is a transformative journey. Our CBSE curriculum goes beyond conventional academics, fostering critical thinking, creativity, and real-world problem-solving, shaping future innovators, compassionate leaders, and global citizens.

Pre-Primary Wing (Classes Nursery - I)

Our Pre-Primary programme transforms curiosity into confidence, creativity, and learning. The Early Childhood Care and Education (ECCE) curriculum unlocks each child's potential through a balance of structured learning and playful exploration. With a 14:1 student teacher ratio and smart classrooms, we offer a safe, nurturing environment where young learners thrive. Experiential learning, sensory experiences, storytelling, and outdoor exploration nurture varied intelligences, empathy, and confidence. Unique spaces like Montessori Labs, HOLA Rooms, Motor Sensory Play Areas, STEM Labs, Jungle Rooms, Traffic Parks, Puppetry Amphitheatres, and Lego Walls enrich learning and lay a strong foundation for lifelong curiosity and growth.

Primary Wing (Classes II - V)

Aligned with the National Education Policy (NEP) 2020, our curriculum blends structured learning with project based activities, research tasks, and real world applications to spark curiosity and sharpen analytical thinking. Educational trips, competitions, co curricular activities, and student led initiatives such as the Junior Student Council nurture leadership, creativity, and collaboration. A third language in Grade V—German, French, or Sanskrit—broadens horizons, while vocational and skill based learning builds a holistic foundation.

Middle Wing (Classes VI - VIII)

At this stage, learning becomes an exciting journey toward senior school readiness. Students develop future-ready skills through real-world projects, STEAM education, and emerging technologies. Vocational and skill-based programmes, leadership opportunities, and community initiatives build responsibility and independence. International trips and exchange programmes broaden global perspectives, while sports, creative arts, and clubs nurture holistic growth. Olympiads and competitions inspire excellence and lasting confidence.

Senior Wing (Classes IX - XII)

The Senior Wing follows CBSE and CBE (Competency Based Education) guidelines. Students undertake open-ended assignments and assessments to develop higher-order skills and prepare for board and competitive examinations. Comprehensive career guidance, internships, and alumni support ensure future readiness. Experiential field trips, exchange programmes, and skill-based initiatives in STEAM, AI, Coding, Robotics, Financial Literacy, Mental Health, Visual & Performing Arts, Physical Education, and Life Skills provide a holistic learning experience.

Beyond Academics

At K.R. Mangalam World Schools, we cultivate holistic development and prepare students for future success through innovative learning experiences and signature programmes that foster creativity, critical thinking, resilience, and global awareness, catering to diverse learning styles and interests.

> *Learning is experience. Everything else is just information.*
>
> *-Albert Einstein*

Future-Ready Skills

Through STEAM education, students develop essential 21st-century skills that foster innovation and exploration. They engage in hands-on learning across emerging fields such as Artificial Intelligence, Coding, Robotics, Astronomy, and Augmented and Virtual Reality. In state-of-the-art Innovation Labs, they build creativity, collaboration, and problem-solving abilities — preparing them to thrive in a rapidly evolving world.

Global Exposure & Experiential Learning

Students gain exceptional global exposure through physical and virtual exchange programmes with schools worldwide. They actively participate in international events and competitions. Alongside global excursions, students enjoy local field trips and broader journeys across India, enriching their educational experience, fostering cultural understanding, and broadening perspectives that prepare them to thrive in an interconnected world.

Mind Sync Curriculum

The Mind Sync curriculum nurtures emotional intelligence and mindfulness through guided sessions, reflection practices, and stress-management techniques. Students enhance focus, self-awareness, and empathy—building inner balance, mental strength, and a positive outlook that supports their academic success and overall well-being.

Life Skills

Through experiential learning, students develop essential competencies in decision-making, problem-solving, financial literacy, teamwork, empathy, health and hygiene, community engagement, and environmental responsibility—fostering ethical awareness, resilience, and a sustainable mindset for navigating real-world challenges with confidence and compassion.

Leadership & Personal Development

Through the Student Council, Model United Nations, and diverse leadership initiatives, students build confidence, communication, and decision-making skills. Experiential programmes cultivate teamwork, accountability, and vision—empowering learners to lead with integrity, inspire peers, and create meaningful impact within and beyond school.

Extracurricular Excellence

At K.R. Mangalam World Schools, we enrich students' lives with a diverse range of activities that complement their academic journey and foster holistic development.

Arts and Creative Expression

Our Arts curriculum includes Visual Arts, Performing Arts, Dramatics, and Debates. In Visual Arts, students develop creativity and artistic skills in our dedicated Art and Pottery Studios. The Performing Arts programme builds confidence, expression, and musical abilities, while Dramatics and Debates enhance theatrical talent, communication, and critical thinking. Students also participate in events and competitions, showcasing their skills throughout the year.

Skill Education Clubs

Our diverse clubs and societies spark creativity, leadership, and innovation. Students develop environmental awareness through sustainability initiatives and pursue artistic skills in visual arts, music, dance, photography, and dramatics. They enhance technical and analytical abilities through coding, robotics, and mathematics. Heritage, literary, and food experiences enrich cultural and intellectual growth. Programmes in nutrition, fitness, yoga, self-defence, and mental health support holistic development and help students gain skills for real-world success.

Events, Exhibitions, & Celebrations

Our school calendar is filled with workshops, talk shows, exhibitions, annual presentations, and festival celebrations. These events provide students with opportunities to showcase their talents, collaborate with peers, and engage with industry experts. Student-led initiatives, community involvement, and family engagement are integral to our programme. We also celebrate student achievements, highlighting their contributions and successes. Through these enriching activities, students experience a holistic education that extends beyond the classroom.

Sports Excellence

Our sports programme transforms potential into skill, fostering fitness, confidence, resilience, and teamwork. From team sports such as Football, Basketball, Cricket, Volleyball, and Pickleball, to individual disciplines including Lawn Tennis, Badminton, Shooting, Table Tennis, Chess, Skating, Gymnastics, Mini Golf, Taekwondo, and Foosball, every discipline fosters growth and excellence. To strengthen mindfulness and well-being, students practise Yoga. Guided by expert trainers, students master these skills and gain opportunities to compete at District, State, National, and International levels. Our curriculum cultivates discipline, perseverance, and leadership.

Infrastructure & Facilities

At K.R. Mangalam World Schools, our state-of-the-art infrastructure provides a safe, comfortable, and stimulating learning environment. With smart classrooms, well-stocked libraries, dedicated nursing rooms, and vibrant cafeterias, students have access to all essential amenities. The campus boasts cutting-edge sports facilities, modern science and computer labs, spacious play areas, and ample parking space.

Safety & Security

At K.R. Mangalam World Schools, safety and security are our top priorities. Our campuses feature extensive surveillance systems, managed by a trained security team and a robust visitor management system. GPS-enabled buses, with a teacher or female attendant, ensure safe student commutes. Regular safety audits, emergency drills, and workshops keep our community prepared for any situation. Additionally, counselling sessions and mental health support foster a secure and supportive campus environment.

Parent Engagement

We believe that parents are key partners in their child's development. Beyond regular Parent-Teacher Meetings (PTMs), parents actively participate in various school events, bringing their diverse experiences to enrich our programmes. This strong partnership between parents and the school creates a collaborative environment that supports the holistic growth of every child.

"The commitment to excellence at K.R. Mangalam World School is remarkable. My child has excelled academically while also developing life skills and emotional strength, preparing for a confident future."

-Arvind Nair, Parent

"Since joining K.R. Mangalam World School, my child has grown into a curious learner. From robotics and coding to arts and debates, she is exploring every field with enthusiasm and balance."

-Sunita Joshi, Parent

Edunext App

Our dedicated Edunext app ensures seamless communication between school and home. It provides parents with real-time updates on their child's progress, upcoming school events, and important notifications, strengthening the connection and engagement with the school.
