Revised Fee Structure – Academic Session 2026-27

Dear Parents,

This circular sets out, for your kind information, the position regarding the fee for the Academic Session 2026-27 and a decision that the Management has taken keeping your convenience in mind.

In keeping with Section 17(3) of the Delhi School Education Act, 1973, the School filed its head-wise fee structure for the Academic Session 2026-27 with the Directorate of Education on 30th March, 2026, that is, well before the commencement of the session. The revision proposed was a modest one, working out to approximately 5% over the fee levied during the Academic Session 2025-26, and was to take effect from 1st April, 2026.

The School did not, however, give effect to it. In the writ petitions concerning the Delhi School Education (Transparency in Fixation and Regulation of Fees) Act, 2025, the Hon'ble High Court of Delhi was pleased to direct, by its order dated 28th February, 2026, as follows:

"... during the pendency of the present petitions, the operation and implementation of clauses 3(1) and 3(2) of the notification shall remain in abeyance. The petitioners [schools] shall be entitled to collect the same fees for the academic year 2026-2027, as was collected for the previous academic year till the fee is fixed/approved in terms of the Act and the Rules, subject to the outcome of these petitions."

– Hon'ble High Court of Delhi, order dated 28.02.2026

In respectful compliance with the above, the School continued to levy, for the quarters April to June 2026 and July to September 2026, the very same fee as was being charged during the Academic Session 2025-26.

Thereafter, the Director of Education, by circular F. No. DoE-A-15/DoE/Fee Reg/2026/4007-4016 dated 30th June, 2026, directed schools to complete the prescribed process, in the following terms:

"All Heads of private unaided recognised schools are hereby directed to constitute the School Level Fee Regulation Committee in accordance with the procedure prescribed under the Delhi School Education (Transparency in Fixation and Regulation of Fees) Act, 2025 and the Rules framed thereunder, and to place the proposed fee for the block of three academic years 2026-27, 2027-28 and 2028-29 before the said Committee for its consideration and approval. It is further reiterated that the arrangement for interim collection of fee, in compliance with the directions of the Hon'ble High Court of Delhi dated 28th February, 2026, shall continue to operate until such time as the fee for the Academic Session 2026-27 is duly fixed and approved by the School Level Fee Regulation Committee."

– Directorate of Education, GNCTD, circular dated 30.06.2026

Acting upon this, the School constituted its School Level Fee Regulation Committee, the parent representatives on which were chosen by an open public draw of lots held in the School premises on 29 July 2026, so that the process would be transparent and above question. The proposal for a revision of approximately 5% for the block of three academic years, 2026-27, 2027-28 and 2028-29, was placed before the Committee together with the supporting accounts, and the Committee was pleased to approve the same with effect from 1st April, 2026. The approval has been duly intimated to the Directorate of Education, and the approved structure has been notified on the School's website.

The fee so approved for the Academic Session 2026-27 is as under:

Fee head	2025-26 (Rs. p.m.)	2026-27 (Rs. p.m.)	Increase (Rs.)
Tuition Fee	10,250	10,800	550
Annual Fee	2,150	2,250	100
Development Fee	1,000	1,050	50
Total	13,400	14,100	700

On a quarterly basis, the fee accordingly stands revised from Rs. 40,200 to Rs. 42,300. For the Academic Sessions 2027-28 and 2028-29, the Committee has approved a similar increase of 5% over the fee of the immediately preceding year.

Although the revised fee has been approved with effect from 1st April, 2026 and the School would ordinarily have been entitled to recover the difference for the two quarters already past, the Management is conscious that a demand of that nature in the middle of the session would cause avoidable inconvenience to parents. We have therefore decided to implement the revised fee only with effect from 1st October, 2026, and not to charge any arrears for the quarters April to June 2026 and July to September 2026. The difference for those two quarters, amounting to Rs. 4,200 per student, is being borne by the School.

Fee bills for the quarter October to December 2026 and thereafter will accordingly be raised at Rs. 42,300 per quarter. No supplementary or arrear bill will follow in respect of the earlier two quarters.

We are grateful for the understanding and support that our parents have extended throughout this period, and we remain committed to complete transparency in all matters relating to fee.

With warm regards,

PRINCIPAL
